RG104 E-1 Box 149

York - Pa., Dec. 7 - 87.

Controller of Mint:-

Dear Sir:-

Please tell me what causes the difference in the color of Gold Coins.

Is it in the alloy or is it in the metal itself.

I ask as a representative of the Y. High School Chemistry Class and would humbly ask a few moments of Your time to grant my request.

H. G. Welsh.

Y.H.S. Class '88.
